Geoduck Diver License

RCW 77.65.410 Every diver engaged in the commercial harvest of geoduck clams shall obtain a non-transferrable geoduck diver license.

WAC 220-52-01901 Geoduck Gear Licenses.

(1) A geoduck gear license issued by the director is required for the commercial harvest of geoduck clams. Geoduck gear licenses were previously called "Geoduck Validations."

(2) Only persons holding current geoduck harvest agreements from the Department of Natural Resources or their agents may apply for geoduck gear licenses. An application for a geoduck gear license must be on a form provided by the department, must be complete, and must be accompanied by a copy of the geoduck harvest agreement for which the license is sought.

(3) A geoduck gear license expires at the end of the calendar year following its issuance, or when the harvesting agreement for which it is issued terminates, whichever is earlier.

(4) The fee requirements of RCW 77.65.050 apply to any request to transfer a geoduck gear license or replace a lost geoduck gear license card.

(5) Each geoduck gear license authorizes the use of two water jets or other units of geoduck harvest gear. Gear must meet the requirements of WAC 220-52-019 (2). A geoduck gear license card is a "license card" under WAC 220-69-270.

(6) The director may suspend or revoke a geoduck gear license used in violation of commercial diving safety regulations, including 29 C.F.R. part 1910, subpart T, adopted under the occupational safety and health act of 1970. The procedures of chapter 34.05 RCW apply to such suspensions or revocations. If there is a substantial probability that a violation of commercial diving safety regulations could result in death or serious physical harm to a person engaged in harvesting geoduck clams, the director may suspend the license immediately until the violation has been corrected. The director shall not revoke a geoduck gear license if the holder of the harvesting agreement corrects the violation within ten days of receiving written notice of the violation. (93-66, 8/14/93)
